**STATEMENT OF NEED**
Previous registrants’ feedback has emphasized a need for an update in practical aspects of management of patients which this course fulfills.

**Course Description and Objectives**
This Wednesday evening series is targeted to update internists' knowledge in the field of internal medicine and allied sciences; emphasis on new developments, mechanisms, concepts, newly available tests and medications. Designed to improve physicians' management of patients. Every effort is made to concentrate on practical aspects of clinical practice.

**Target Audience**
Internists, adolescence-pediatricians, geriatricians, family physicians, other primary health care providers, as well as specialists in other fields.
Weill Medical College of Cornell University is accredited by the Accreditation Council for Continuing Medical Education to sponsor continuing medical education for physicians.

Weill Medical College of Cornell University designates this educational activity for a maximum of 16 credit hour(s) towards the AMA Physician’s Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.

It is the policy of Weill Medical College of Cornell University to ensure fair balance, independence, objectivity, and scientific rigor in all its sponsored programs. All faculty participating in sponsored programs are expected to disclose to the audience any potential, apparent, or real conflict of interest related to their contribution to the activity, and any discussions of the unlabelled or uninvestigated use of any commercial product or device not yet approved in the United States.
