The Female Association of Clinicians Educators and Scientists of the Tri-Institutional MD-PhD Program present

A Discussion on the National Academies Report
Beyond Bias and Barriers:
Fulfilling the Potential of
Women in Academic Science and Engineering

Dr. Joan Steitz
Sterling Professor of Molecular Biophysics and Biochemistry,
Howard Hughes Medical Institute and Yale University

Weill Auditorium at 1300 York Avenue
4-5PM on March 12, 2008

Beyond Bias and Barriers explains that eliminating gender bias in academia requires immediate overarching reform, including decisive action by university administrators, professional societies, federal funding agencies and foundations, government agencies, and Congress. If implemented and coordinated across public, private, and government sectors, the recommended actions will help to improve workplace environments for all employees while strengthening the foundations of America's competitiveness.
